RIAL presents the new ASTORGA wheel

Bad Dürkheim, March 5, 2020

Timeless good looks from RIAL: The new ASTORGA alloy wheel features a clever new design of classic double spokes. Only on closer inspection do you see that the spoke pairs are slightly asymmetrical. This clever twist lends the wheel balanced proportions and makes it a timeless classic that is suitable for many vehicle models.

With the ASTORGA, RIAL – a brand of Superior Industries – has added another alloy wheel with a sporty look to its portfolio. For the market launch, the wheel rim is available in the colors diamond black and polar silver as well as in six different sizes with a 5-hole connection.
