RIAL Unveils New Sizes for the T-Model M12 for Mercedes-Benz C-Class

Bad Dürkheim, November 10th, 2021

RIAL, a Superior Industries brand, is expanding its range of sizes for the M12 alloy wheel. The M12 is now available in two sizes for the Mercedes-Benz C-Class T-Model.

RIAL offers two new versions of the M12 alloy wheel for the new T-Model of the Mercedes-Benz C-Class: 7.5 x 18 inches with an offset of 40 and 7.0 x 17 inches with an offset of 44.5. Both versions are available in the colors diamond-black and polar-silver. In addition, the 7.5 x 18-inch version of the wheel is also available with diamond-black front polished paintwork. Thanks to its elegant design featuring five V-spokes, the M12 meets the high aesthetic and functional standards embodied by the T-Model

About Superior Industries

Superior is one of the world's leading manufacturers of aluminum wheels for light vehicles. Superior supplies aluminum wheels to well-known automotive manufacturers and is the market-leading manufacturer of aluminum wheels for the accessories market (aftermarket) in Europe.

Superior maintains the leading European aftermarket brands ATS®, RIAL®, ALUTEC®, and ANZIO®. Superior has eight production plants, which are located in Mexico, Germany and Poland. Superior currently employs about 7,600 people worldwide.

Headquartered in Southfield, Michigan, Superior is listed on the New York Stock Exchange. For more information, please visit www.supind.com.
